

School Accountability Report Card Reported Using Data from the 2019–2020 School Year

California Department of Education

For Opportunity Acres dba Independent Trails High School

Address: 7315 South Shingle Rd., Shingle Springs, CA 95682 **Phone:** 530-672-9462
Principal: Nicole Reed **Grade Span:** 6-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

About This School

Independent Trails is a functional skill, vocationally-based, and academically-focused program for sixth through twelfth grade students diagnosed with Autism Spectrum Disorder and/or moderate to severe Intellectual Disability whose needs cannot be met in a less restrictive (e.g., public school) environment. Students will obtain a meaningful and relevant education that includes: core academic instruction, social skills training, vocational training, job sampling, and critical independent living skills in alignment with standards-based core curriculum, leading to a Certificate of Completion. Independent Trails provides an ideal and appropriate alternative placement for the more severely impacted population. Students receive instruction in classrooms situated on a 56-acre ranch, which offers multiple opportunities for hands-on vocational instruction as well as functional academic opportunities (e.g., business management). Students put their academic instruction to use by assisting in the day-to-day operation and maintenance of this fully functioning ranch. Instruction is provided by two appropriately credentialed teachers, two lead instructional aides, and five instructional aides per 14 students.

School Description and Mission Statement (School Year 2020–2021)

Our students obtain a meaningful high school education that includes vocational training, job sampling, and critical independent living skills with a strong emphasis on communication and social skills training. In addition to academic learning, our students work with animals, garden, cook, maintain the ranch, and engage in recreational activities. Each student receives a comprehensive assessment in the first 30 days of placement to identify strengths, interests, and areas of need.

Individualized lesson plans are then developed to meet the unique needs of each student and address IEP goals, as agreed upon by the IEP team. Curriculum is provided and monitored by two credentialed teachers with support from two lead instructional aides and five instructional assistants. Every minute of every day provides an opportunity to obtain critical life skills that ultimately enhance the quality of life for every student. Independent Trails provides a safe educational environment with opportunities for a smooth transition into adulthood.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

No major repairs/improvements needed. Monthly inspections of the classroom are conducted to ensure that the school maintains cleanliness and in good repair. The school facility is in good condition.

Data collected using the Facility Inspection Tool (FIT)

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	DPC	N/A	DPC	N/A	DPC	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019–2020)

Independent Trails is located on the property of a full functioning ranch, providing students with an array of opportunities to investigate possible interests in career opportunities. A primary focus is to design and implement student goals with a functional purpose, while serving students who are on the autism spectrum.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Parents are invited to specific school events and functions in an effort to increase participation throughout the year. Parents are also heavily involved in the development and approval of the IEP goals and recommendations to ensure active participation in their student's education.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	DPC	DPC	DPC
Expulsions	DPC	DPC	DPC

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

Independent Trails maintains a comprehensive disaster/emergency plan, posted across all classrooms and buildings of the facility. The plan contains instructions in the presence of emergencies such as earthquakes, floods, fire, power outages, any weapon threat, hostage treat, and bomb threat. Quarterly evacuation procedures are practiced ensuring a quick and fluid response to prepare for any potential incidences. Fire alarm and detections systems are fully compliant with all local and state regulations. Backpacks at all classrooms and buildings entrances are stocked with first aid kits and emergency supplies. The plan was last updated December 2020.

Types of Services Funded (Fiscal Year 2019–2020)

Independent Trails provides a one to three staff to student ratio via two credentialed teachers, two lead instructional aides, and five instructional aides. The California state standards are embedded in the development and delivery of each student's IEP goals. All instructional aides maintain the "Every Student Succeeds Act (ESSA)" standards. In addition, a licensed Speech and Language Pathologist and an Occupational Therapist provide individualized teaching to students who have these services outlined in their IEP. Our program maintains "Best Practices for Students with Autism," utilizing an Applied Behavior Analytic approach.
